THE 1976 ARROW

RUSSELL A. BLOODGOOD

Russell A. Bloodgood came to Lycoming College in 1964 when the school cafeteria was maintained by a catered food service. The college terminated this program five years later and Mr. Bloodgood chose to stay at Lycoming as director of our food service program.

Since this time, Mr. Bloodgood has coordinated many services to meet the students' needs while directing a top quality cafeteria. His innovations include triple entree meals, a salad bar, and numerous beverages. In recent years the cafeteria has further met the requests of students with birthday celebrations, dorm dinners, floor breakfasts and study break snacks. These services are evidence of Mr. Bloodgood's commitment to students since their development came from student suggestions.

The 1976 ARROW is dedicated to Russell A. Bloodgood; an individual involved in making student life a more positive experience at Lycoming College.

LYCOMING COLLEGE
WILLIAMSPORT, PA 17701

April 30, 1976

Dear Members of the Class of 1976:

It has been your good fortune to be a part of American higher education during difficult times. Economic and vocational pressures have brought you to look at the potential value of your education with a careful and analytical eye.

Your alma mater wishes you well in the years ahead. We hope that Lycoming has been helpful in the choice of a meaningful career; even more important, we trust that the college has assisted you to develop a philosophy which will see you through the best and the worst that life may bring you.

Our greetings and good wishes!

Cordially yours,

Harold H. Hutson
